We are pleased to announce our new partnership with **MatchRate PLUS**. MatchRate PLUS has created a new **"CASH BACK"** program for businesses who accept credit cards called "Merchant Partner". This patent pending business system enables the merchant to get money back every month. With our unique fundraiser, your business will be able to make a meaningful difference in the lives of children attending **New Horizons School**. Your business will increase your income stream by receiving **25% of the commission generated** to MatchRate PLUS from your merchant account every month - for the life of your account. Additionally for each business you refer to **MatchRate PLUS** that becomes a Merchant Partner, **you will be paid a one-time \$50 bonus and 5%-17.5% of the ongoing monthly commission** generated by the electronic payment processing of those accounts.

In addition to your **"Cash Back" AND New Income Stream** when you become a Merchant Partner with **MatchRate PLUS**, **New Horizons School** will receive a **\$50 referral bonus** and **ongoing payments** equal to **17.5% of the commission** generated from your merchant account every month. **MatchRate Plus** will also provide our school with a **10% matching bonus** to support our fundraiser. Your businesses support is critical to achieving our education goals.

As our partner, we are proud to tell the community your business Gives Back! This is a win-win for everyone! If you would like to make a difference and support the **We Give Back USA** campaign, please complete and return the form below. A **North American Bancard** representative will contact you and answer any questions you may have about this amazing program. Please visit www.WeGiveBackUSA.com for more fundraiser information. Our campaign will end soon – so please provide your support!
