

New Horizons School

February 2011

Ms Sue's Corner

February is such a short month, and it always seems like we don't get everything done. Please take the time to read your child's classroom calendar. All upcoming events will be listed, and as always, if you misplace your calendar, our big calendar in the front is there to remind you of any events or field trips.

This month is a busy month with Valentine's parties and rodeo fun. I hope your children have a fun month. The teachers are trying hard to make each month special and educational.

This is the month of "love," so be true to your friends and tell someone that you love them.

Hugs,
Sue

NHS KIDS CORNER

Spotlight on the children; We ask the question, they answer, and we write exactly what they say....
(you never know how they'll answer the question)

How does Santa get into your house???

Allisin Miller...."Um he brings me presents, um out the window."

Mia Stewart..."Ummm, he brings presents...umm...I don't know."

Connor Hill..."Um we don't have a thing where the fire goes, so he'll probably go through the door."

Braden Pexa..."Go through the top thing, but we don't have one so he can go through the garage door."
