

New Horizons School

January 2011

Ms Sue's Corner

I hope everybody had a wonderful and relaxing Holiday.

Looking towards the new year and things to come, please be sure you check your child's classroom calendars for important dates, the big calendar in the front also has important dates on it as well.

Please remember to keep us current on any changes. If there have been any changes to your address, telephone number, or work number, please contact me; I will need to put these new numbers in your child's file in case of an emergency.

I wish each of you a Happy New Year and hope 2011 brings you all of your dreams.

Hugs,
Sue

New Horizons is collecting Box Tops for Education!!

Clip those Box Tops off of many grocery items, and bring them into school. Drop them into our Monster Box Top Can, which is located in the front office. Help us earn educational items for our school.

See attached list of items that have the Box Top.

Thank you for your support!

Meet the NHS Staff

Kimberly Thomas works everywhere here at New Horizons. Her birthday is April 2nd, and her hometown is good ol San Antonio, Texas. Kim's favorite movie is Dirty Dancing, and her favorite food is Italian. Kim's hobbies and interests include reading, going dancing, and spending time with family. Kim has been in the education field for 3 years, and what she likes best about teaching is "watching the children learn by exploring the world around them." If Kim could go anywhere in the world it would be Italy, her Italian roots come from her dad's side of the family and has always dreamed of taking a trip there. Kim's goal in life is "to have an impact on as many children's lives as possible and raise a family of my own."

NHS KIDS CORNER

Spotlight on the children: We ask the question, they answer, and we write exactly what they say....
(you never know how they'll answer the question)

How does Santa get into your house???

Allisin Miller...."Um he brings me presents, um out the window."

Mia Stewart..."Ummm, he brings presents...umm...I don't know."

Connor Hill..."Um we don't have a thing where the fire goes, so he'll probably go through the door."

Braden Pexa..."Go through the top thing, but we don't have one so he can go through the garage door."

Braden, Allisin, Connor, Mia
